

SACRED HEART OF JESUS CATHOLIC SCHOOL

January, 2016

Dear Parents,

Current student registration for the 2016-2017 school year begins Monday, January 11. The administration, faculty, and staff look forward to your return for the upcoming school year.

Sacred Heart is a Christ-centered faith community with an established, proven program. Grounded and guided by our commitment to spiritual, academic, and social growth, Sacred Heart offers opportunities for faith formation, maintains a rigorous curriculum, and ensures an orderly and caring environment. The school's excellence is credited to the generosity of parents, the dedication of faculty and staff, and the commitment of our students.

Registration will again be handled online through RenWeb. For those families that do not have Internet access, we will be happy to assist you with online registration here at school. If you would like to schedule an appointment for assistance with this registration process, please contact Vickie Cook (vcCook@sacredheartbr.com ; 225-383-7481).

Sacred Heart families should apply now for younger siblings of currently-enrolled students. Please note, however, this is an application only. Although new siblings are not automatically accepted into Sacred Heart School, they are certainly given first priority of acceptance. Siblings are screened/tested as part of the application process.

Gulf Coast Bank & Trust, our tuition lending group, is offering online tuition loan activation beginning January 11. Their online tuition system will be available to you 24/7 and offers you the ease of account application and management, including the ability to schedule payments online. To create your tuition management account, please visit <https://tuition.gulfbank.com>. Please see Gulf Coast's informational letter included with this packet.

If you have any questions or concerns regarding the registration process, please contact us. We thank you for entrusting your children to our care.

Sincerely,

Joan Hutson
Principal
