Sacred Heart's Accelerated Reader
A computerized program designed to motivate students to read.

To participate, students need to:
- Choose a book from the Accelerated Reader Book List.
- Read the book.
- Take the quiz on any computer located in the Computer Lab, the Library, or their classroom.

Parents should:
- Encourage the students to participate.
- Help them choose titles in the program.
- Feel free to observe the program in action.

Rules & Procedures:
- Student participation is voluntary.
- A quiz on a book can only be taken one time. No repeats!
- Books must be READ! Watching the movie *does not* count.
- Books may be acquired from anyplace: the Library, the classroom, home, the public library, borrowed from a friend, or even purchased.
- There is no time limit for students taking the quiz.
- Points for each book are pre-determined by the difficulty of the book.
- 60% of the answers on a quiz must be correct in order to earn points.

Incentives
- Students receive candy treats after successfully completing a quiz.
- Students become members of the 100 Points Club, 200 Points Club, etc.
- Students can spend their "points" in the Accelerated Reader Store at the end of the year.
