The non-profit Catholic film company, Ahava Productions, has gotten their film "Santiago: The Camino Within" into mainstream theaters! This wonderful film, narrated by Bishop Hying of Madison, and set to beautifully composed music helps us understand the beauty of pilgrimage by walking step-by-step with those who have traversed this ancient route. Supporting this film in theaters is a great opportunity to grow in our faith and encourage our Catholic community this Lent!

The Camino de Santiago, an ancient network of routes spanning across Europe, united hundreds of thousands of individuals each year as they make their way to the cathedral Santiago de Compostela in Galaxia, Spain, where the tomb of St. James lies. In 1987, the Camino de Santiago was certified as the first cultural route of the Council of Europe and in 1993 was inscribed on the World Heritage List. The nearly 1000 miles of interconnected routes lead individuals along a trek that challenges their minds and souls, transforming lives along the way.

Bishop Donald Hying leads viewers along the ancient path, through their own introspective journey, to find true meaning in their lives, their relationships and their faith.

"Santiago: The Camino Within" will be released for one night only, in English and Spanish, on Tuesday March 28 at 7pm Cinemark Perkins Rowe, Citiplace and Juban Crossing. For more information, please see the flyer attached and plan to take the whole family or make it a date night! St. James, pray for us!
