SPOTLIGHT ON ST. ELIZABETH OF HUNGARY

ST. ELIZABETH OF HUNGARY | November 17

Although her life was short, St. Elizabeth of Hungary (1207 – 1231) is recognized for her love of the poor and suffering, and as patroness of Catholic charities and the Secular Franciscan Order. The daughter of the King of Hungary, she chose a life of penance instead of leisure, which made an impact on the “commoners” she served.

St. Elizabeth married Louis of Thuringia when she was 14. Deeply in love, they had three children. Despite their wealth, she led a life of prayer, sacrifice, and service to the poor and sick under the spiritual direction of a Franciscan friar.

After six years of marriage, her husband died in the Crusades, and St. Elizabeth was grief-stricken. Her husband’s family did not look kindly upon her and mistreated her before finally throwing her out of the palace. However, the return of her husband’s allies from the Crusades resulted in her being reinstated, since her son was legal heir to the throne.

St. Elizabeth joined the Secular Franciscan Order in 1228 where she cared for the poor in a hospital she founded in honor of St. Francis of Assisi. She died in 1231, but her great popularity resulted in her being named a saint only four years later.

A Prayer for Protection in Hurricane Season

"Christ in the Storm on the Sea of Galilee"
Ludolf Backhuysen, German, 1695

O God, Master of this passing world, hear the humble voices of Your children. The Sea of Galilee obeyed Your Son's command when He calmed the stormy waters and delivered the disciples from fear and harm.

During this hurricane season, we turn to You, O loving Lord, for Your mercy is without end. Spare us from tragedies like those of the past and keep us safe in Your loving care.

O Virgin Mother, Star of the Sea, we seek your powerful help. Plead for us with your Son that we might be spared all harm, whether natural or made by human hand, and walk safely in His footsteps until we reach our heavenly home.

Our Lady of Prompt Succor, hasten to help us!
