### *Growing and Taking Flight*

Earlier last week, Ms. Cangelosi's pre-k students raised and released their very first monarch butterfly. As part of their science exploration, the children observed the butterfly's life cycle up close from caterpillar to chrysalis to butterfly! Each student was given the opportunity to hold the butterfly before releasing it into the school garden.

# A Prayer for Protection in Hurricane Season

"Christ in the Storm on the Sea of Galilee"  
Ludolf Backhuysen, German, 1695

O God, Master of this passing world, hear the humble voices of Your children. The Sea of Galilee obeyed Your Son's command when He calmed the stormy waters and delivered the disciples from fear and harm.

During this hurricane season, we turn to You, O loving Lord, for your mercy is without end. Should it be your will, we ask that we be spared from tragedies like those of the past and that you keep us safe in Your loving care.

O Virgin Mother, Star of the Sea, we seek your powerful help. Plead for us with Your Son that we might be spared all harm, whether natural or made by human hand, and walk safely in His footsteps until we reach our heavenly home. Should this not be His will, we pray for strength to grow closer to Him through these and other hardships we face.

Our Lady of Prompt Succor, hasten to help us!
